### VALIDITY

7 DAYS from date of quotation.

WARRANTY

Equipment is only guaranteed against faulty components, workmanship and design.

All mechanical equipment stipulated within this quotation is warranted for a period of 12 months from date of commissioning. No other warranty is given or implied.

Our guarantee does not cover any consequential loss, damage or injury resulting from failure of our equipment whatsoever.

The warranty period to repair or replace any damaged goods caused by defect, and not due to negligence or malicious acts of a third party is 12 (twelve) months or 1000 hours which comes first from date of delivery.

No Warranty on electrical components.

No electrical or mechanical change may be made on the engine of generator, if changes was made the warranty will be null and void.

**Care and maintenance on generator must be kept in place for warranty to be effective.**

**Every 100 hours service must be done by an qualifies electrician or diesel mechanic.**

Elecmec Engineering & Power cc can offer a custom-made monthly check up's and maintenance plan at request; for more information ask your sales agent.

FORCE MAJEURE

No liability should extend to us or our sub-contractors for any delay, impossibility of delivery of default in terms of contract, where such delay is due to fires, tempest, acts of God, malicious acts of third party, lockouts, embargoes, breakdown of machinery, load shedding, insurrection of riots, or any other cause of similar nature to circumstances beyond our control.

DELIVERY

The date of delivery will be confirmed with client as soon as Generator is ready for delivery.

On delivery there must be capable person to check and complete the delivery checklist with Elecmec personnel.

QUALITY ASSURANCE

The price quoted is based upon the suppliers Standard Level of Quality Assurance (ISO 9001). The cost adherence to any other or additional requirements shall be for the account of the Customer.

CONFIDENTIALITY

All information and or specifications of this tender and any eventual contract resulting there from shall remain confidential and the property of ELECMEC TRANSMISSIONS cc.

I trust that the above quotation meets with your approval and should you have any further queries, please do not hesitate to contact us.
